

**REMARKS**

In the Notice of the Drawing Inconsistency with Specification, the Publishing Division has noted that Figure 9 is contained in the Drawings but not listed in the Description of the Drawings in the specification. Applicants hereby submit an amendment to the specification to identify Figure 9 in the Description of the Drawings. No new matter has been added. Applicants submit that the consistency has been addressed and request the Office to withdraw the Notice of the Drawing Inconsistency.

**CONCLUSION**

In light of the aforementioned amendments and arguments, Applicants contend that all of the pending claims maintain their condition of allowance and the drawings and specification are consistent and in condition for publication. Should the Office feel that a telephone conference with Applicants' attorney would expedite handling of this application, please contact the Applicants' attorney at the telephone number identified below.
